Pleasant pub, restaurants and canal-side walks adjacent.

“Express by Holiday Inn Hemel Hempstead is a **brand new hotel, open October 2004**. Featuring contemporary, stylish design and offering excellent value for money, this friendly hotel is perfect for business or leisure.

Express by Holiday Inn Hemel Hempstead is ideally located in the Apsley area of Hemel Hempstead. We are situated on the A4251 and within easy reach of Junction 20 of the M25 and Junction 8 of the M1 via the A414. Public transport is also easily at hand, with train links direct to central London just a few minutes walk from the hotel.

Our guestrooms are designed to offer all the amenities required by today's traveller, combined with a modern design. Comfortable beds, invigorating power showers, high-speed Internet access and air-conditioning all come as standard, ensuring a great nights sleep. We offer a variety of room configurations including twins, doubles, family rooms and wheelchair accessible rooms.

The Great Room is our informal lounge area where you can enjoy a drink from our licensed bar, watch Sky Sports on our large screen TV, or enjoy your complimentary continental breakfast.”

Local guide to accommodation

<http://www.dacorum.gov.uk/default.aspx?page=1543>

Train information

<http://www.nationalrail.co.uk/>

Local Airports,

Luton London, about 25 minutes away by car.

Heathrow London, about 1 hour away.

Gatwick, about 2 ½ hours away, this is too far away for collection for 1 or 2 day courses.

Laptop Users must have full Administrator rights to install software necessary for the course

Mobile Phones.

If you are visiting from overseas and you wish to use your phone in England then it is best to purchase a sim card in England. These can be purchased at the larger supermarkets and then topped up with call money using the “pay as you go” system and a credit card.

To do this your phone must be “unlocked” before you come to England.

Electricity.

Domestic mains electricity is 240 volts with a maximum of 13 amps at 50Hz. Sockets for plugs are typically of 3 pin format with rectangular pins.

Electric shaver sockets are in most bathrooms and hair dryers available in bedrooms.

Weather.

The local weather can be found on this link
